

Summer Reading

Dear Parents and Guardians,

Students entering first grade are required to complete the following reading assignments over the summer and turn in the attached papers on the first day of school. Please keep the papers for the summer reading assignments in a safe place.

Assist your child in reading ten or more books throughout the summer. Complete the reading log for your child as the books are read. Please use the recommended reading list for children in kindergarten entering first grade for some of the books. Your child will then complete a book report using one of the books from the recommended reading list.

In addition, the summer reading log and book report will be graded. A rubric has been included, so you are aware of the scoring system. Please read it before completing the assignments.

Remember to have your child complete the forms and submit them on the first day of school.

Enjoy your summer and have fun reading!

Thank you!

Mrs. Ropars
