

Dear Parents and Guardians,

First Grade students will need the following supplies upon entering school in September.

- * pencils (no mechanical pencils permitted)
- * crayons (16 or 24 count)
- * glue sticks
- * red pen(s)
- * 12-inch ruler
- * safety scissors
- * pencil case (no pencil boxes)
- * 1 yellow, 1 green, and 1 red folder (each will be used for different things)
- * 1 folder of your choice for Spanish class

Any other supplies that the students may need will be supplied to them, including copybooks and theme tablets. Also, please do not send in any kind of pencil sharpeners. They are not permitted in the classroom.

In addition, I ask that you purchase a few rolls of clear contact paper for home use to cover workbooks, copybooks, and folders. Please purchase them early in the summer, since it may be difficult to find in September.

Have a great summer! I look forward to teaching your child in the fall.

Thank you,
Mrs. Ropars
